PROXY STATEMENT  
ANNUAL MEETING OF STOCKHOLDERS  
May 4, 2012

---

**GENERAL**

This Proxy Statement is furnished by the Board of Directors (which we sometimes refer to as the “Board”) of Saul Centers, Inc. (the “Company”) in connection with the solicitation by the Board of Directors of proxies to be voted at the annual meeting of stockholders to be held on May 4, 2012, and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying notice of such meeting. All common stockholders of record at the close of business on March 1, 2012 will be entitled to vote.

Any proxy, if received in time, properly signed and not revoked, will be voted at such meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted for the Proposals set forth in this Proxy Statement. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (i) by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, (ii) by presentation at the annual meeting of a subsequent proxy executed by the person executing the prior proxy, or (iii) by attendance at the annual meeting and voting in person.

Votes cast in person or by proxy at the annual meeting will be tabulated, and a determination will be made as to whether or not a quorum is present. The Company will treat abstentions as shares that are present for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will be considered as present for purposes of determining the presence or absence of a quorum.

For Proposal 1, the four nominees for director who receive the most votes will be elected. If a stockholder indicates “withhold authority to vote” for a particular nominee on the stockholder’s proxy card, the stockholder’s vote will not count either for or against the nominee. Any shares not voted as a result of an abstention or a broker non-vote will have no impact on the vote for Proposal 1. For Proposal 2, the affirmative vote of a majority of the votes cast on the proposal is required to ratify the appointment of the Company’s independent registered public accounting firm. For Proposal 3, the affirmative vote of a majority of the votes cast on the proposal is required to approve the conversion right of limited partnership interests held by The Saul Organization. As a result, any shares not voted as a result of an abstention or a broker non-vote will have no impact on the vote for Proposal 2 or Proposal 3.

Solicitation of proxies will be primarily by mail. However, directors and officers of the Company also may solicit proxies by telephone or telegram or in person. All of the expenses of preparing, assembling, printing and mailing the materials used in the solicitation of proxies will be paid by the Company. Arrangements may be made with brokering houses and other custodians, nominees and fiduciaries to forward soliciting materials, at the expense of the Company, to the beneficial owners of shares held of record by such persons. It is anticipated that this Proxy Statement and the enclosed proxy card first will be mailed to common stockholders on or about March 23, 2012. Proxy materials are also available at [www.saulcenters.com](http://www.saulcenters.com).

As of the record date, March 1, 2012, 19,225,398 shares of common stock of the Company, \$0.01 par value per share (“Common Stock”), were issued, outstanding and eligible to vote. Each share of Common Stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. Holders of depositary shares representing interests in preferred stock are not entitled to receive notice of, and to vote at, the annual meeting. As of the record date, officers and directors of the Company had the power to vote approximately 41.1% of the issued and outstanding shares of Common Stock. The Company’s officers and directors have advised the Company that they intend to vote their shares of Common Stock in favor of the Proposals set forth in this Proxy Statement.

## PROPOSALS TO BE PRESENTED AT THE ANNUAL MEETING

The Company will present the following proposals at the annual meeting. The Company has described in this proxy statement all the proposals that it expects will be made at the annual meeting. If a stockholder or the Company properly presents any other proposal to the meeting after March 13, 2012, the Company will, to the extent permitted by applicable law, use the stockholder's proxies to vote shares on the proposal in the Company's best judgment.

### 1. Election of Directors

The First Amended and Restated Articles of Incorporation of the Company, as amended ("Articles"), and the Amended and Restated Bylaws of the Company as amended ("Bylaws"), provide that there shall be no fewer than three, nor more than 15 directors, as determined from time to time by the directors in office. The Board of Directors of the Company currently consists of 14 directors divided into three classes with staggered three-year terms. The term of each class expires at the annual meeting of stockholders, which is expected to be held in the spring of each year. Each director elected at the annual meeting of stockholders in 2012 will serve until the annual meeting of stockholders in 2015 or until his replacement is elected and qualifies or until his earlier resignation or removal.

The nominees for election to the Board of Directors are:

Philip D. Caraci  
Gilbert M. Grosvenor  
Philip C. Jackson, Jr.  
Mark Sullivan III

Each of the nominees is presently a member of the Board of Directors and has consented to serve as a director if re-elected. More detailed information about each of the nominees is available in the section of this proxy statement titled "The Board of Directors," which begins on page 4. If any of the nominees cannot serve for any reason (which is not anticipated), the Board of Directors, upon recommendation of its Nominating and Corporate Governance Committee, may designate a substitute nominee or nominees. If a substitute is nominated, the Company will vote all valid proxies for the election of the substitute nominee or nominees. The Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the Board. Proxies for the annual meeting may not be voted for more than four nominees.

The Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, unanimously recommends that you vote **FOR** these directors.

### 2. Ratification of Appointment of Ernst & Young LLP as the Company's Independent Registered Public Accounting Firm for 2012

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2012. Services provided to the Company by Ernst & Young LLP in 2011 are described under "2011 and 2010 Independent Registered Public Accounting Firm Fee Summary" on page 23.

Stockholder ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2012 is not required by the Articles, Bylaws or otherwise. However, the Board of Directors is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain the firm. In such event, the Audit Committee may retain Ernst & Young LLP, notwithstanding the fact that the stockholders did not ratify the selection, or select another accounting firm without re-submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee reserves the right at its discretion to select a different accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of Ernst & Young LLP will be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

The Board of Directors, upon recommendation of the Audit Committee, unanimously recommends that you vote **FOR** the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for 2012.

**3. Authorization of Right of The Saul Organization to Convert Units of Limited Partnership Interest in Saul Holdings Limited Partnership into Shares of Common Stock of the Company**

In September 2011, in connection with the purchase by the Company of three shopping center properties, the Saul Holdings Limited Partnership (which we refer to as the “Operating Partnership”) sold to a member of The Saul Organization 1,497,814 units of limited partnership interest. Under the Operating Partnership’s partnership agreement, units are generally convertible into shares of Common Stock of the Company on a one-for-one basis because each unit effectively represents the exact economic interest in the Company as a single share of Common Stock. Accordingly, conversion of a unit into a share of Common Stock has no dilutive economic effect on the holders of Common Stock, but it would allow the holder of a unit to convert to a security which is publicly traded on the NYSE and to vote in all matters in which holders of Common Stock are entitled to vote. New York Stock Exchange rules require shareholder approval before the units sold to The Saul Organization can be considered convertible into shares of Common Stock. At the time of the sale, the Company agreed to solicit such shareholder approval. The Board of Directors of the Company recommends that the shareholders vote FOR the proposal to approve the right of The Saul Organization to convert these units into shares of Common Stock on the terms set forth in the partnership agreement of the Operating Partnership.

## CORPORATE GOVERNANCE

### Board of Directors

*General.* The Company is currently managed by a 14-member Board of Directors. The Board has adopted a set of corporate governance guidelines, which, along with the written charters for the Board committees described below, provide the framework for the Board's governance of the Company. The corporate governance guidelines are available both on the Company's website at [www.saulcenters.com](http://www.saulcenters.com) and in print free of charge to any stockholder who requests them.

*Independence and Composition.* The Articles and the New York Stock Exchange ("NYSE") listing standards each require that a majority of the Board of Directors be "independent directors," as defined in the Articles and the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has determined that Messrs. Chapoton, Clancy, Grosvenor, Jackson, Kelley, Longworth, Noonan, Platts, Sullivan III and Symington, representing a majority of the Board of Directors, are "independent directors" as defined in the NYSE listing standards and the Articles. The Board made its determination based on information furnished by all directors regarding their relationships with the Company and research conducted by management. In addition, the Board consulted with the Company's counsel to ensure that the Board's determination would be consistent with all relevant securities laws and regulations as well as the NYSE listing standards.

*Leadership Structure.* Currently, Mr. Saul II serves as the Chairman of the Board of Directors and Chief Executive Officer of the Company, and we do not have a lead independent director. At this time, the Board believes that the Company and its stockholders are best served by having Mr. Saul II serve as Chairman and Chief Executive Officer.

Mr. Saul II's tenure as Chief Executive Officer since the Company's formation, his more than 45 years of experience leading The Saul Organization and his significant ownership interest in the Company uniquely qualify him to serve as both Chairman and Chief Executive Officer. In addition, the Board believes that Mr. Saul II's combined role as Chairman and Chief Executive Officer promotes unified leadership and direction for the Board and executive management, and his knowledge of the Company's properties and business operations makes it appropriate for him to lead Board discussions.

The Company does not have a lead independent director because the Board believes that it is currently best served without designating a single lead independent director. Ten of the fourteen current members of our Board are independent under the NYSE listing standards and the Articles and, as required by the NYSE listing standards, the Audit, Compensation and Nominating and Corporate Governance Committees are composed solely of independent directors. In addition, the Board and each of these committees have complete and open access to any member of management and the authority to retain independent legal, financial and other advisors as they deem appropriate without consulting or obtaining the approval of any member of management. The Board also holds regularly scheduled executive sessions of only non-management directors in order to promote discussion among the non-management directors and assure independent oversight of management.

*Meetings and Attendance.* The Board of Directors met six times during the year ended December 31, 2011. Other than Messrs. Clancy and Platts, who were recently elected to the Board of Directors, all of the directors currently serving on the Board of Directors, including the nominees, attended at least 92% of the aggregate total number of meetings of (i) the Board of Directors and (ii) the committees of the Board of Directors that he was eligible to attend. The corporate governance guidelines provide that it is the responsibility of individual directors to make themselves available to attend scheduled and special Board and committee meetings on a consistent basis. All thirteen of the directors at such time were in attendance at the 2011 annual meeting of stockholders.

In addition, non-management members of the Board of Directors met in executive session twice in the year ended December 31, 2011. Pursuant to our corporate governance guidelines, if the Chairman of the Board is not an officer of the Company, the Chairman of the Board presides at all executive sessions of the Board of Directors, except for executive sessions to discuss the compensation of the Company's chief executive officer, which are chaired by the chairman of the Compensation Committee. If the Chairman is an officer of the Company, all executive sessions of the Board should be chaired by the chairman of the Nominating and Corporate Governance Committee. In 2011, Mr. Grosvenor, as Chairman of the Nominating and Corporate Governance Committee, presided over both executive sessions.

*Risk Oversight.* The Board is involved in risk oversight through direct decision-making authority with respect to significant matters and the general oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through (1) the review and discussion of regular reports from management, as well as auditors and other outside consultants, to the Board and its committees on the Company's business, including risks that the Company faces in conducting its business, (2) the required approval by the Board (or a committee thereof) of significant transactions and other decisions and (3) the direct oversight of specific areas of the Company's business by the Compensation, Audit and Nominating and Corporate Governance Committees. The Board also relies on management to bring significant matters impacting the Company to its attention.

Pursuant to the Audit Committee's charter, the Audit Committee is specifically responsible for reviewing with management, the independent auditor and the Company's internal auditors any significant risks or exposures, discussing the guidelines and policies that govern the process by which the Company's exposure to risk is assessed and managed by management and assessing the steps management has taken to minimize such risks to the Company.

While the Board believes its current leadership structure enables it to effectively oversee the Company's management of risk, it was not the primary reason the Board of Directors selected its current leadership structure over other potential alternatives.

*Interested Party Communications.* The Board of Directors has adopted a process whereby interested parties can send communications directly to the directors. Any interested party wishing to communicate directly with the presiding director or with the non-management directors as a group, or with one or more directors, may do so in writing, by addressing their communication to the director or directors, c/o Saul Centers, Inc., 7501 Wisconsin Avenue, Suite 1500, Bethesda, Maryland 20814-6522. All correspondence will be reviewed by the Company and forwarded to the director or directors.

## **Audit Committee**

*General.* The Board of Directors has established an Audit Committee, which is governed by a written charter, a copy of which is available both on the Company's website at [www.saulcenters.com](http://www.saulcenters.com) and in print free of charge to any stockholder who requests it. Among the duties, powers and responsibilities of the Audit Committee as provided in the Audit Committee charter, the Audit Committee:

- has sole power and authority concerning the engagement and fees of the independent registered public accounting firm,
- reviews with the independent registered public accounting firm the plans and results of the audit engagement,
- pre-approves all audit services and permitted non-audit services provided by the independent registered public accounting firm,
- reviews the independence of the independent registered public accounting firm,
- reviews the adequacy of the Company's internal control over financial reporting, and
- reviews accounting, auditing and financial reporting matters with the Company's independent registered public accounting firm and management.

*Independence and Composition.* The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934 and the rules and regulations promulgated by the SEC thereunder, which is referred to as the Exchange Act, and the NYSE listing standards. Messrs. Jackson, Kelley, Longsworth, Noonan and Symington currently are the members of the Audit Committee, with General Kelley serving as chairman.

The Board of Directors, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has determined that all current members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NYSE listing standards and that Mr. Jackson is an "audit committee financial expert" as that term is defined in the Exchange Act.

*Meetings.* The Audit Committee met eight times in the year ended December 31, 2011.

## **Nominating and Corporate Governance Committee**

*General.* The Board of Directors has established a Nominating and Corporate Governance Committee, which is governed by a written charter, a copy of which is available both on the Company's website at [www.saulcenters.com](http://www.saulcenters.com) and in print free of charge to any stockholder who requests it. As provided in the Nominating and Corporate Governance Committee charter, the Nominating and Corporate Governance Committee:

- identifies and recommends to the Board of Directors individuals to stand for election and reelection to the Board at the annual meeting of stockholders and to fill vacancies that may arise from time to time,
- develops and makes recommendations to the Board for the creation and ongoing review and revision of a set of effective corporate governance guidelines that promote the competent and ethical operation of the Company and any policies governing ethical business conduct of the Company's employees or directors, and
- makes recommendations to the Board of Directors as to the structure and membership of committees of the Board of Directors.

*Selection of Director Nominees.* The corporate governance guidelines provide that the Nominating and Corporate Governance Committee endeavor to identify individuals to serve on the Board who have expertise that is useful to the Company and complementary to the background, skills and experience of other Board members. The Nominating and Corporate Governance Committee's assessment of the composition of the Board includes: (a) skills – knowledge of corporate governance, business and management experience and background, real estate experience and background, accounting experience and background, finance experience and background, and an understanding of regulation and public policy matters, (b) characteristics – ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) composition – diversity, age and public company experience. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. The Company's corporate governance guidelines provide that the Nominating and Corporate Governance Committee should, in determining the composition of the Board, include diversity as one of the many factors it considers. Both the Board and the Nominating and Corporate Governance Committee conduct annual self-evaluations, in the course of which compliance with the corporate governance guidelines is reviewed.

The Nominating and Corporate Governance Committee also considers director nominees recommended by stockholders. In accordance with the Company's Bylaws and the Exchange Act, any proposal from stockholders regarding possible director candidates to be elected at a future annual meeting or proposals for any other matters must be received by the Company at 7501 Wisconsin Avenue, Suite 1500, Bethesda, Maryland 20814-6522, Attn: Secretary not less than 60 nor more than 90 calendar days before the first anniversary of the previous year's annual meeting, provided, that in the event that the date of the upcoming annual meeting is advanced by more than 30 days or delayed by more than 60 days from the first anniversary date, to be timely delivered, the proposal must be received not earlier than the 90th day prior to the upcoming annual meeting and not later than the close of business on the later of the 60th day prior to the upcoming annual meeting or the 10th day following the day on which public announcement of the date of the upcoming annual meeting is first made. The deadline for submissions of proposals for the 2012 annual meeting can be found under the section captioned "Proposals for Next Annual Meeting."

Please note that proposals must comply with all of the requirements of Rule 14a-8 under the Exchange Act. In addition, any proposals must include the following:

- the name and address of the stockholder submitting the proposal, as it appears on the Company's stock transfer records, and of the beneficial owner thereof,
- the number of shares of each class of the Company's stock which are owned beneficially and of record by the stockholder and the beneficial owner,
- the date or dates upon which the stockholder acquired the stock,
- the reasons for submitting the proposal and a description of any material interest the stockholder or beneficial owner has in submitting the proposal, and
- all information relating to the director nominee that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a director nominee and to serving as a director if elected).

The Chairman of the Annual Meeting shall have the power to declare that any proposal not meeting these requirements is defective and shall be discarded.

The Nominating and Corporate Governance Committee evaluates director candidates recommended by stockholders in the same manner that it evaluates director candidates recommended by the directors or management.

*Independence and Composition.* The NYSE listing standards require that the Nominating and Corporate Governance Committee consist solely of independent directors. In 2011, Messrs. Grosvenor and Jackson were, and they currently are, the members of the Nominating and Corporate Governance Committee, with Mr. Grosvenor serving as chairman.

The Board of Directors, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has determined that all current members of the Nominating and Corporate Committee are “independent directors,” as defined in the NYSE listing standards.

*Meetings.* The Nominating and Corporate Governance Committee met twice in the year ended December 31, 2011.

*Processes and Procedures for Executive and Director Compensation Determinations.*

- *Role of Compensation Committee.* The Compensation Committee is responsible for:
  - approving and evaluating the compensation plans, policies and programs for the Company’s officers,
  - making recommendations to the Board with respect to the compensation of directors, and
  - approving all awards to any officer under the Company’s stock option and equity incentive plans.

The Compensation Committee also serves as the administrator of the Company’s 2004 Stock Plan.

- *Role of Others in Compensation Determinations.* The Compensation Committee considers the recommendations of the Chairman and Chief Executive Officer when determining the compensation of the directors and executive officers other than the Chairman and Chief Executive Officer. Neither the Compensation Committee nor the Company retains compensation consultants.
- *Delegation of Authority by the Committee.* Although the Chairman and Chief Executive Officer may recommend to the Compensation Committee equity compensation awards for the executive officers other than the Chairman and Chief Executive Officer, the Compensation Committee approves the grant of all such awards to executive officers under the Company’s 2004 Stock Plan.

The Company’s executive compensation programs and philosophy are described in greater detail under the section entitled “Compensation Discussion and Analysis.”

*Independence and Composition.* The NYSE listing standards require that the Compensation Committee consist solely of independent directors. In 2011, Messrs. Grosvenor and Jackson were, and they currently are, the members of the Compensation Committee, with Mr. Grosvenor serving as chairman.

The Board of Directors, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has determined that all current members of the Compensation Committee are “independent directors,” as defined in the NYSE listing standards.

### **Compensation Committee Interlocks and Insider Participation**

Mr. Saul II, the Company's Chairman and Chief Executive Officer, served on the Board of Trustees and various committees of the Board of the National Geographic Society during 2011. Mr. Grosvenor, a director of the Company and a member of the Company's Compensation Committee during 2011, served as Trustee of the National Geographic Society.

### **Compensation of Directors**

Directors of the Company are currently paid an annual retainer of \$20,000 and a fee of \$1,200 for each Board or Committee meeting attended, and are annually awarded 200 shares of the Company's Common Stock. The shares are issued on the date of each annual meeting of stockholders to each director serving on the Board of Directors as of the record date of such meeting. In 2004, the Compensation Committee approved the automatic grant of options to purchase 2,500 shares of Common Stock to each of the directors of the Company, as of the date of each annual meeting of the Company's stockholders beginning with the 2004 annual meeting. The options are immediately exercisable with an exercise price determined using the closing market price of the Company's Common Stock on the date of award. In 2011, each director other than Messrs. Clancy and Platts, who did not serve as directors in 2011, was awarded options to purchase 2,500 shares of Common Stock at an exercise price of \$41.82 per share, representing the fair market value of the Company's Common Stock on May 13, 2011. Directors from outside the Washington, D.C. area also are reimbursed for out-of-pocket expenses in connection with their attendance at meetings.

In addition, directors may elect to participate in the Deferred Compensation and Stock Plan discussed below. For the period March 18, 2011 through March 1, 2012 (the "2011 Period"), 15,421 shares were credited to the directors' deferred fee accounts.

## Deferred Compensation Plan

A Deferred Compensation and Stock Plan for Directors, which we refer to as the Directors Plan, was established by the Company, for the benefit of its directors and their beneficiaries. Before the beginning of any calendar year, a director may elect to defer all or part of his or her director's fees to be earned in that year and the following years. At the option of the director, the fees will be deferred into a cash account, a share account or both. If the director elects to defer fees into the share account, fees earned during a calendar quarter are aggregated and divided by the Common Stock's closing market price on the first trading day of the following quarter to determine the number of shares to be allocated to the director. When the director is eligible to receive payments from the deferred fee accounts, amounts credited to the cash account shall be paid in cash and

amounts credited to the share account shall be paid by the delivery by the Company of certificates representing a like number of shares of Common Stock. For financial reporting purposes, the deferred fee shares are included in the calculation of outstanding Common Stock; however, Directors are not eligible to vote the shares until they are issued. Through March 1, 2012, of the 370,000 shares the Company has authorized under the Directors Plan, 38,000 have been issued and 231,000 are reserved for issuance and have been credited to the directors' deferred fee accounts.

The following table sets forth fees deferred into shares of Common Stock by directors under the Directors Plan.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

*References in this Compensation Discussion and Analysis to “we,” “our,” “ours” and “us” refers to Saul Centers, Inc.*

*Compensation Philosophy.* Our goal is to design and administer a compensation program to (i) attract and retain qualified officers, (ii) reward officers for superior performance in achieving our business objectives and enhancing stockholder value and (iii) provide incentives for the creation of long-term stockholder value. Historically, the key elements of executive compensation have been base salary, annual bonuses and incentive stock options. The Compensation Committee reviews and approves our policies and practices regarding executive compensation, including (a) base salary levels, (b) annual bonuses, and (c) if applicable, long-term incentives, including awards of stock options. The Compensation Committee’s decisions regarding executive compensation are subjective and are based to a significant extent on the discretion and recommendations of the Company’s Chairman and Chief Executive Officer. The Compensation Committee does not attempt to establish a fixed numerical relationship between base salary, bonus and long-term incentives as components of overall compensation. We select and implement the elements of compensation for their ability to help us achieve the objectives of our compensation program, and this program is not based on any unique or preferential financial accounting or tax treatment.

*Base Salary and Bonus Awards.* As part of its review of base salary and bonus compensation, the Compensation Committee uses its discretion to make a subjective evaluation of the overall performance of each of the named executive officers based on its consideration of a variety of factors, including each individual’s tenure, level and scope of responsibility and performance and contribution to the achievement of our long-term goals, as well as factors relating to our overall performance and management’s recommendations regarding compensation. The Compensation Committee does not objectively measure any of the individual factors, nor does it make a determination of the actual performance of each of the named executive officers relating to each factor. No one factor is given precedence in the Compensation Committee’s analysis, although the Compensation Committee does take into account the recommendations of the Company’s Chairman and Chief Executive Officer. The Compensation Committee also considers whether the executive officers spend a portion of their time managing other related entities.

*Most Recent Stockholder Advisory Vote on Executive Compensation.* In May 2011, our stockholders cast an advisory vote on the Company’s executive compensation decisions and policies as disclosed in the proxy statement issued by the Company in March of 2011. Approximately 99.5 percent of the shares voted on the matter were cast in support of the compensation decisions and policies as disclosed. The Compensation Committee considered this result an endorsement of the Company’s compensation policies and practices and determined that it was not necessary at this time to make any material changes to those policies and practices in response to the advisory vote.

Base salary determinations are made by the Compensation Committee annually and are effective as of May 1 of each year.

Name	Base Salary Beginning May 1, 2011	Base Salary Beginning May 1, 2010	Percentage Change
B. Francis Saul II <i>Chairman and Chief Executive Officer</i>	\$ 125,000	\$ 125,000	0.0 %
B. Francis Saul III <i>President</i>	580,000	550,000	5.5
Christopher H. Netter <i>Senior Vice President Leasing</i>	373,000	362,000	3.0
Scott V. Schneider <i>Senior Vice President Chief Financial Officer</i>	373,000	362,000	3.0
John F. Collich <i>Senior Vice President Acquisitions and Development</i>	331,000	321,300	3.0

Bonus determinations are made by the Compensation Committee annually and are typically awarded in December of each year. Bonus awards are typically calculated as a percentage of the employee's base salary. Bonus awards are determined on the basis of the recommendation of the Chairman and Chief Executive Officer and other subjective factors rather than the achievement by the executive officer of any pre-determined performance target. In December 2011, the Compensation Committee approved bonuses for the named executive officers ranging in amounts from 15% to 20% of the named executive officer's base salary as provided below.

Name	Base Salary Beginning May 1, 2011	Bonus	Bonus as a Percentage of Base Salary
B. Francis Saul II	\$ 125,000	\$ 25,000	20.0 %
B. Francis Saul III	580,000	116,000	20.0
Christopher H. Netter	373,000	55,950	15.0
Scott V. Schneider	373,000	55,950	15.0
John F. Collich	331,000	49,650	15.0

The base salary and bonus paid to the Chairman and Chief Executive Officer was less than the compensation paid to other executive officers because the Compensation Committee also considered that the Chairman and Chief Executive Officer devotes a portion of his time to managing other related entities. We believe that the current base salary levels and annual bonus awards of the Company's officers take into account the unique talents and skills of its officers.

*Stock Option Grants.* While not a key element in compensation, the Compensation Committee believes that the prudent use of equity incentives aligns the interests of officers with those of stockholders and promotes long-term stockholder value. The 2004 Stock Plan provides for grants of nonqualified and incentive stock options to employees, including officers. The Compensation Committee administers the plan and determines the participants who receive stock option grants, the terms of the grants, the schedule for exercisability or nonforfeitability, and the time and conditions for expiration of the grants. The Compensation Committee will continue to look at the total compensation package for each officer and the policies underlying the Company's long-term compensation goals when granting awards under the plan. At present, the Board of Directors does not prescribe any stock ownership guidelines for our executive officers.

We do not time, nor have we ever timed, the grant of stock options in coordination with the release of material non-public information, and we have never back-dated any awards of stock options. We expect that awards to executive officers in the future will be made at regularly scheduled Compensation Committee meetings. For corporate and accounting measurement purposes, the date of grant of an award to our executive officers under the 2004 Stock Plan is the date the Compensation

Committee approves the award or such later date as the Compensation Committee specifies. In addition, the fair market value for an award is established as the closing price of the stock on the date of grant.

The Compensation Committee granted 162,500 options to officers of the Company during 2011, of which 85,000 options were granted to named executive officers.

*Benefits and Other Perquisites.* We provide benefits to our executive officers under the B. F. Saul Company Employees 401(k) Retirement Plan (the “Tax Qualified Plan”). Our executive officers are eligible to receive, on the same basis as other employees, employer matching contributions under the Tax Qualified Plan. This allows our executive officers to save for their retirement on a tax-deferred basis through the Section 401(k) savings feature of the plan, with the Company-funded portion of these benefits based on matching the contributions of the executive officers. Additional information on these Company-funded retirement contributions can be found in the Summary Compensation Table below. We also provide benefits to our executive officers under the B. F. Saul Company Supplemental Executive Retirement Plan (the “SERP”). The SERP, which is not available to all employees, allows the executive officers and other highly compensated employees to receive benefits they would have received under the Tax Qualified Plans, but for statutory limits. We do not sponsor a defined benefit pension plan for our executive officers or any other employees. Matching contributions under the Tax Qualified Plan and the SERP made to the named executive officers for the years ended December 31, 2011, 2010, and 2009 are shown in the “Other Compensation” column of the Summary Compensation Table below. Additional information on the SERP can be found in the Nonqualified Deferred Compensation Table below.

Our executive officers are also eligible to participate, on similar terms as employees who meet applicable eligibility criteria, in the other employee benefit and welfare plans that the Company maintains, subject to any legal limitations on the amounts that may be contributed or the benefits that may be payable under such plans.

We do not consider perquisites to be a principal component of our executive officers’ compensation. We believe that our executive officer benefit and perquisite programs are reasonable and competitive with benefits and perquisites provided to executive officers of other REITs, and are necessary to sustain a fully competitive executive compensation program.

## **Compensation Risks**

The Compensation Committee believes that risks arising from our policies and practices for compensating employees are not reasonably likely to have a material adverse effect on the Company. The Compensation Committee endeavors to put in place for management incentives that cultivate a level of risk-taking behavior consistent with our business strategies. Because the bonus and other variable components of compensation are determined in large part on subjective considerations rather than formulae or other objective criteria, the Compensation Committee believes that the Company’s compensation policies do not contribute significantly to inappropriate risk-taking.

## **Summary Compensation Table**

The following Summary Compensation Table sets forth the compensation paid to or earned by the Company’s Chief Executive Officer, Chief Financial Officer and each of its three other most highly compensated executive officers who were serving as of December 31, 2011 (“named executive officers”) for, or with respect to, the years ended December 31, 2011, 2010, and 2009.

## AUDIT COMMITTEE REPORT

The information contained in the report shall not be deemed to be “soliciting material” or to be “filed” with the SEC, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company incorporates it by specific reference.

*Duties, Powers and Responsibilities.* The Audit Committee is governed by a charter, a copy of which is available both on the Company’s website at [www.saulcenters.com](http://www.saulcenters.com) and in print free of charge to any stockholder who requests it. The Audit Committee charter is designed to assist the Audit Committee in complying with applicable provisions of the Exchange Act and the NYSE listing standards, all of which relate to corporate governance and many of which directly or indirectly affect the duties, powers and responsibilities of the Audit Committee. Among the duties, powers and responsibilities of the Audit Committee as provided in the Audit Committee charter, the Audit Committee:

- has sole power and authority concerning the engagement and fees of the independent registered public accounting firm,
- reviews with the independent registered public accounting firm the plans and results of the audit engagement,
- pre-approves audit and permitted non-audit services provided by the independent registered public accounting firm,
- reviews the independence of the independent registered public accounting firm,
- reviews the adequacy of the Company’s internal controls over financial reporting, and
- reviews accounting, auditing and financial reporting matters with the Company’s independent registered public accounting firm and management.

*Review and Discussion with Management and Independent Registered Public Accounting Firm.* The Audit Committee has reviewed and discussed with management the Company’s audited financial statements for the year ended December 31, 2011, management’s assessment of the effectiveness of the Company’s internal control over financial reporting and the independent registered public accounting firm’s attestation of the effectiveness of the Company’s internal control over financial reporting.

The Audit Committee has also discussed with the independent registered public accounting firm those items required by SAS 61, as amended, which includes among other things, matters related to the conduct of the audit of the Company’s financial statements. The Audit Committee has received a written disclosure and letter required by the Public Company Accounting Oversight Board from the independent registered public accounting firm regarding their independence, and has discussed the independent registered public accounting firms independence with them.

*2011 and 2010 Independent Registered Public Accounting Firm Fee Summary.* During 2011 and 2010, the Company retained Ernst & Young LLP to provide services in the following categories and amounts:

	<b>Year 2011</b>	<b>Year 2010</b>
Audit Fees	\$ 425,000	\$ 495,000
Total Audit Fees (1)	425,000	495,000
Audit Related & Consultation Fees (2)	57,000	6,300
Other	-	-
Total Fees	\$ 482,000	\$ 501,300

- (1) Audit fees include the audit fee, fees incurred for attestation relating to the effectiveness of internal control over financial reporting required by Section 404 of the Sarbanes-Oxley Act of 2002, and fees for comfort letters, attest services, consents and assistance with and review of documents filed with the SEC.
- (2) Audit related fees consist of fees incurred for audits related to the acquisition of operating real estate properties, fees for consultation concerning financial accounting and reporting standards, performance of agreed-upon procedures, and other audit or attest services not required by statute or regulation.

The Audit Committee has determined that the provision of audit related services by Ernst & Young LLP during 2011 is compatible with maintaining Ernst & Young LLP’s independence.

*Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting firm.* Consistent with SEC policies regarding registered public accounting firm independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Prior to engagement of the independent registered public accounting firm for the next year's audit, management will submit to the Audit Committee for approval an aggregate of services expected to be rendered during that year for each of the categories of services listed in the table above.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted, and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise necessitating engagement of the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

*Conclusion.* Based on the review and discussions referred to above, the Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Annual Report of the Company on Form 10-K for the year ended December 31, 2011 for filing with the SEC.

## CERTAIN RELATIONSHIPS AND TRANSACTIONS

Certain relationships existing between (i) the Company and its subsidiaries, including the Operating Partnership and two subsidiary limited partnerships (the “Subsidiary Partnerships,” and collectively with the Operating Partnership, the “Partnerships”), and (ii) The Saul Organization are discussed below. Except as discussed below, the Company does not have any written policies or procedures for the review, approval or ratification of transactions with related persons.

*Management of the Current Portfolio Properties.* The Company and its subsidiaries entered into a Shared Services Agreement with The Saul Organization that provides for the sharing of certain personnel and ancillary functions, such as computer hardware, software and support services, payroll services, benefits administration, in-house legal services and other direct and indirect administrative personnel. The method of determining the cost of the shared services is provided in the Shared Services Agreement and, depending on the service, is based upon head count, estimates of usage or estimates of time incurred, as applicable. The Saul Organization also subleases office space to the Company (see below for description of terms of corporate headquarters lease). The terms of all sharing arrangements, including payments related thereto, are deemed reasonable by management and are approved annually by the Audit Committee of the Company, which consists entirely of independent directors under the Company’s Articles and NYSE rules. Billings by The Saul Organization for the Company’s share of these ancillary costs and expenses, which included \$945,000 of rental payments for the Company’s headquarters lease, for the year ended December 31, 2011 totaled \$6.1 million. At December 31, 2011, \$560,000 was owed to The Saul Organization. Although the Company believes that the amounts allocated to it for such shared services represent a fair allocation between it and The Saul Organization, the Company has not obtained a third party appraisal of the value of these services.

*Shared Services Agreement.* The Company subleases its corporate headquarters space from a member of The Saul Organization. The primary 10-year lease, which commenced in March 2002, provides for base rent escalated at 3% per year, with payment of a pro-rata share of operating expenses over a base year amount. The Company and The Saul Organization entered into a Shared Services Agreement whereby each party pays its share of total rental payments based on a percentage proportionate to the number of employees employed by each party. The Company’s rent payment for the year ended December 31, 2011 was \$945,000. The Company recently agreed to a five-year extension of the lease. The Audit Committee reviewed the terms of the lease and believes it has terms comparable to what would have been obtained from a third party landlord, although bid proposals from independent third parties were not solicited when entering into the new corporate headquarters lease.

*Insurance Agency.* The B. F. Saul Insurance Agency of Maryland, Inc., a subsidiary of the B. F. Saul Company and a member of The Saul Organization, is a general insurance agency that receives commissions and counter-signature fees in connection with the Company’s insurance program. Such commissions and fees amounted to approximately \$341,000, for the year ended December 31, 2011.

*Management Personnel.* The Company’s Chief Executive Officer, President, Senior Vice President-Chief Accounting Officer and Senior Vice President-General Counsel are also officers of various members of The Saul Organization. Although the Company believes that these officers spend sufficient management time to meet their responsibilities as its officers, the amount of management time devoted to the Company will depend on its specific circumstances at any given point in time. As a result, in a given period, these officers may spend less than a majority of their management time on the Company’s matters. Over extended periods of time, the Company believes that its Chief Executive Officer and Senior Vice President – General Counsel will spend less than a majority of their management time on Company matters, while the President and Senior Vice President-Chief Accounting Officer may or may not spend less than a majority of their management time on the Company’s matters.

*Exclusivity and Right of First Refusal Agreements.* The Company will acquire, develop, own and manage shopping center properties and will own and manage other commercial properties subject to certain exclusivity agreements and rights of first refusal to which it is a party. The Saul Organization will continue to develop, acquire, own and manage commercial properties and own land suitable for development as, among other things, shopping centers and other commercial properties. The agreement relating to exclusivity and the right of first refusal between the Company and The Saul Organization generally requires The Saul Organization to conduct its shopping center business exclusively through the Company and to grant the Company a right of first refusal to purchase commercial properties and development sites in certain market areas that become available to The Saul Organization. The Saul Organization has granted the right of first refusal to the Company, acting through the Company’s independent directors, in order to minimize potential conflicts with respect to commercial properties and development sites. The Company and The Saul Organization have entered into this agreement in order to minimize conflicts with respect to shopping centers and certain of the Company’s commercial properties.

*Reimbursement Agreement.* Pursuant to a reimbursement agreement among the partners in the Partnerships, The Saul Organization and those of its subsidiaries that are partners in the Partnerships have agreed to reimburse the Company and the other partners in the event the Partnerships fail to make payments with respect to certain portions of the Partnerships’ debt

obligations and the Company or any such other partners personally make payments with respect to such debt obligations. As of December 31, 2011, the maximum potential obligation of The Saul Organization and its subsidiaries under the agreement was \$99.4 million. The Company believes that the Partnerships will be able to make all payments due with respect to their debt obligations.

*2011 Property Acquisition.* On September 23, 2011, the Company completed its acquisition of three shopping center properties known as Kentlands Square in Gaithersburg, Maryland, Severna Park MarketPlace in Severna Park, Maryland and Cranberry Square in Westminster, Maryland, for an aggregate purchase price of \$168.5 million (the "Property Acquisition"). The Property Acquisition was financed in part with \$55.8 million through the sale to members of The Saul Organization of 186,968 shares of the Common Stock and 1,497,814 units in the Operating Partnership. The price per share of Common Stock and per unit was equal to the average closing prices of the Common Stock on the NYSE for the five trading days ending with the trading day immediately preceding the date of closing of the Property Acquisition.

*Real Estate Purchases and Sales.* From time to time, the Company may purchase from, or sell property to, members of The Saul Organization. In these instances, each party obtains independent third party appraisals of the property and the transactions are approved in advance by the Audit Committee, which is comprised solely of independent directors.
